ACCREDITATION STATUS FOR YIEH PHUI ENTERPRISE CO., LTD

Dear Mr Kong

We refer to your submitted test report dated 17 May 2011 issued to your organization by the above testing laboratory.

We have verified that Yieh Phui Enterprise Co. Ltd is indeed a Testing Laboratory accredited by our Mutual Recognition Arrangement (MRA) partner, Taiwan Accreditation Foundation (TAF), Taiwan.

The significant of the MRA basically means that test report issued by laboratory accredited by members of the MRA will be viewed as equivalent to that of a laboratory accredited by Singapore Accreditation Council (SAC). Hence, in this case, the test report issued by Yieh Phui Enterprise Co, Ltd should be on par to a laboratory accredited by SAC.

If you need further clarification, please do not hesitate to contact me.

Yours sincerely
